Boise Bible College... Ministry is Life

Student Life in October - both in and out of the classroom:

Our students had an eventful month in the classroom and in the community. The month included:

- The theme for chapel this month was “Set Apart our Body”. Each chapel speaker challenged us to live holy lives.
- Midterm exams and the end of Block “A” and “B”. The BBC alumni provided a night of donuts and coffee!
- Two days off for October Recess that allowed most students a quick trip home for a long weekend.
- Each Thursday evening a student leads “devo” in the “Living Room”.
- Spiritual Emphasis Week was a time of reflection - mirrors were placed all over campus and students were asked to reflect Jesus in all parts of their life.
- LIONPALOOZA was held Friday October 29 - Everyone had a great time in a carnival like environment with dunk tanks, “fishing pools”, cotton candy and much more.

Life at Boise Bible College is much more than just classroom lectures and homework. It is worship in song. It is service to others. Life is fellowship and companionship. It all helps grow the community of Christ at BBC!

President Stine has a Busy October

Terry Stine gets energized when he is in front of people; preaching to a large group, visiting one-on-one, teaching his Acts class or even playing golf with a few close friends. Terry was very busy in October.

- Started the month preaching in Nezperce, ID where he attended the Combine Demolition Derby.
- Spent a weekend in Florida to play in a Niños de Mexico golf tournament and recruit students.
- Traveled to Vernal Christian Church in Utah where he was the speaker for their Missions Fair.
- Spoke at Fellowship Christian Church in Tacoma Washington.
- Spent a week with David Davolt traveling from Seattle/Tacoma to Moses Lake to Spokane to Sandpoint to Libby and beyond, visiting churches and friends of BBC.
- Spent a weekend at the Fifth Avenue Christian Church in Havre - including a Seniors lunch on Saturday, golf with one of the seniors, and preaching at two worship services Sunday.
- Finished teaching the first block section of the Book of Acts.

Terry is an inspiring speaker for Sunday worship, mission fairs, faith promise events or special workshops or classes. Call the Development Department or Terry to schedule him to speak at your next event.

Students Love Travis Jacob

Travis Jacob, BBC Dean of Students, is in Las Vegas this week to participate in the Nevada Silverman Triathlon. Travis loves to run and to ride his mountain bike. He is not quite so fond of swimming in cold water but does it . . . to raise funds for Student Life activities at Boise Bible College. He will swim 2.4 miles, bike 112 miles and run 26.2 miles-all in one day! He is spending the week preparing for the race as he visits churches and prospective students in the area. His goal is to

raise \$10,000. **Your donation will go directly to help our students gain a well-rounded growth experience that reaches outside the classroom and helps them put into practice what they are learning.** Make your pledge today. Check out the form at: <http://www.boisebible.edu/2010TriForTheStudents.pdf>

Spring Conference 2011 May 10-12

Why I Love the Church - Featuring Bob Russell

Each spring Boise Bible College sponsors a three-day conference filled with inspiring preaching, workshops to encourage and inform, and plenty of time for fellowship and networking with church leaders and members

from around the Northwest. The featured speaker this year is Bob Russell, preacher, writer, mentor, leader and friend to many Christian leaders around the world. He has much to share and you will not want to miss this opportunity. At just twenty-two years of age Bob became the pastor of the Southeast Christian Church. Today that small congregation of 120 members has become one of the largest churches in America, with 18,000 people attending the four worship services every weekend. Bob writes a weekly column in The Lookout magazine. In his leisure time he enjoys playing golf and is an avid University of Louisville football and basketball fan.

You will not want to miss the conference this year!

NOTE: Check out Bob Russell's web site to see the many books, DVD's and other material he has available. <http://www.bobrussellministries.com>

Plan Now for Summer Internships

Internships are a major part of BBC's educational program. Each practical ministry student at Boise Bible College must complete at least one internship in their area of study. Besides formal internships, we have many underclassmen that look for summer ministry positions to learn and earn from. We've created a protocol to follow that will insure that everyone gets the information they need and the request is processed smoothly. **The first step for all internship inquiries** is to call or email **Nadene Mack**. She is our **internship coordinator**. Nadene will make sure you receive the necessary information about internships and do the coordinating with our professors. Call Nadene at 208-376-7731, or email her at nmack@boisebible.edu. **Now is a good time to start planning for a summer intern or student worker. The most assertive students are already seeking opportunities to serve.**

Donate On-Line

Boise Bible College needs the help of many donors each month. Churches, businesses and individuals donate to help BBC in many ways - they give to our general fund, to scholarships, to the capital expansion fund or to something more specific that is on their heart. The methods of donations vary from checks mailed through the United States Post Office, credit card withdrawals, direct pay methods, stock donated, and the occasional large envelope with cash that is hand delivered. **More and more of our partners are finding the ease of using "free" bill-pay services through their bank.** It is easy to set up Boise Bible College as one of your "bills" to be paid each month. With a couple strokes on the computer you can send a donation directly to BBC! This is better for the college than a credit card payment, (which costs us at least 3%) and better for you than using a .44 stamp and the week or more it takes to arrive. You can now pay on our web site too.

Something New at BBC - A partnership with Financial Planning Ministries

FPM has been working with Christian colleges, churches and other groups since 1982 to help individuals plan their estates, and to help Christian organizations plan for the future. FPM will help you plan your legacy and set up a living trust, will and power of attorney **at no cost to you**. They only ask that you make a donation to one of their sponsoring partners from your estate. Boise Bible College is one of the sponsors. BBC will be announcing the location of free seminars in the near future. If you are ready to work individually, simply call for the paper work to get started. If you are interested in setting up a presentation/seminar at your church or have questions, please call David Davolt, 208-866-4463.

David Davolt, Director of Development

If you know others that would like to receive this information, please forward this to them or send their e-mail to ddavolt@boisebible.edu. If you would like to be removed from this list, use the same e-mail address.
