## Springing On Purpose

Many of our students and staff are choosing to follow their passions this spring and use their “break” for a purpose. They have discovered that a short term mission trip can have a lasting impact on everybody involved. We encourage you to share the love of Jesus and invest yourself in the lives of others whether they are next door or around the world. These are some of the ministries we are involved with this spring. Where are YOU involved?

Niños DeMexico: Giving LIFE to children, one child at a time by providing homes, education, medicine and Christ’s love to the street children of the Mexico City area.

Network Tacoma: Assisting homeless families with children by providing housing, resources and a program to help them achieve self-sufficiency.

Global Vision Citadel Ministries: Sharing a message of love, hope, forgiveness, and reconciliation of our Lord across the mountains of Haiti.

Pinehaven Children’s Ranch: Providing a stable, controlled, secure environment in which young people can reach the potential that God has placed within them.

Restoration House Ministries: Transforming the spiritual landscape of New England.
