Spring Conference - Maximum Impact

WHEN: May 14 - 16, 2013

WHERE: Boise Bible College Campus

COST: FREE!

Spring Conference this year promises to provide both challenge and fellowship. We have the privilege of hosting **Ken Idleman**, senior pastor at Crossroads Christian Church in Newburgh, Indiana and past President of Ozark Christian College. He will bring messages of inspiration and challenge. Matthew Goldsberry, Neil Johnston and Jesse Whitford will bring messages each morning. These men are Northwest pastors from Tacoma, Eugene and Baker City. Each morning each speaker will offer a workshop to expand on how they are making an impact in their congregations and the world around them.

Power-packed workshops are planned each morning. We have four tracks planned to help you make a **maximum impact** in your personal walk, in your church body, in your community and in the world. Workshop leaders are coming from around the area, and as far away as Korea! Topics will challenge church leaders and members. Don't miss hearing "How to Finish Strong" and "Stories From Mission Experiences." Learn about "Following Your Passion to Reach the World" and "The Tools Available From Logos." Hear Dr. Beckman speak on "Taking Care of God's Flock" and Dr. Crane talk about "Making the Most of Retirement." There is something for everyone.

Don't miss the morning **prayer sessions** with Dr. Beckman.

Specifically for preachers, Dr. John Whittaker will lead a two-day workshop to help your sermon preparation and delivery. Come prepared to discuss one of your upcoming sermons.

Calling all Alumni! Come to the **Gathering - Luau** on Monday the 13th @ 6:30 featuring Roast Pig, Hula & dessert auction! Take part in the **Silent Auction** through the week. Play in the **Golf Scramble** on Thursday the 16th. All proceeds fund scholarships! **Jim Byerly** wants to hear from you! Let him know how you plan to participate.

Ladies Tea: "Colors of Promise" featuring our students. Thursday afternoon.

Dinner Theater: We are trying something new this year. On Wednesday evening the BBC Drama Department will present a dinner and interactive play. The cost is only \$10 and includes dinner and entertainment.
