Friday May 17th was a celebration for many students, their families, friends and staff at Boise Bible College! Others are preparing for graduate school or are developing opportunities for ministry and education. Please pray for these graduates as they continue to serve and to share Christ with the world.

## Maximize Your Impact

### ***Spring Conference "impacted" those who attended!***

**Ken Idleman**, Matthew Goldsberry, Neil Johnston and Jesse Whitford all gave inspiring messages that challenged us to be well grounded in God's Word and in His love so that we would impact those around us! The workshops were well received and offered practical means to impact the world at all levels with God's love through Jesus.

Spring Conference is always a time where students, alumni and friends of BBC come together to be challenged to fulfill the mission of the church - "... you will be my witnesses in Jerusalem, and in all Judea and Samaria and to the ends of the earth." Acts 1:8

Plan now to attend the **2014 Spring Conference, May 13 - 15**. **Jeff Walling**, Senior Minister at Providence Road Church of Christ in Charlotte, NC will be the keynote speaker. Jeff is sought after for his practical and engaging messages and teaching. We are in for a treat!

## New Class Makes an Impact!

Curt Nordhielm taught a new elective “math” class this spring; *“Personal Finance, the Financial Principles of Dave Ramsey.”* He had nearly 40 students in the class. Our students discovered that Dave’s principles can have a significant impact on their lives and ability to be in ministry.

Listen to the story of Kaleb and Kelsey who entered the class as an engaged couple, planning a summer wedding. The class encouraged them to:

First - to communicate freely. They talked about their finances and created a plan. They began talking about every dollar that came in and went out. Soon they had their emergency fund in place.

Second - They began to think further down the road. They started paying off old debt and avoiding creating new debt. They may not have the money to start a retirement fund now, but it is their goal to start soon!

Third - In the midst of all this, their trust in God grew. As they started moving toward a more secure financial footing, they found that their faith was growing as they planned for their future using common goals. They realized that money saved is not what saves them. God is asking that they be good stewards of the money He entrusts them with and He will provide in their time of need.

If you haven’t checked out [Financial Peace Ministry](#) - perhaps now is the time?

## BBC Alumni know how to have fun serving!

**The Alumni Gathering at Spring Conference was a Luau** featuring roast pig, prime rib and chicken. Nobody went away hungry. A full house crowd shared good memories and were entertained by a Christian comedian. Our new graduates were introduced and presented commemorative crosses. A **dessert auction, silent auction** and the **Golf Scramble** raised over \$8,000 to help fund the \$11,000 in Alumni Legacy Scholarships we awarded for next year! Thank you to all who contributed and helped to make these events such a success.

The **Alumni Distinguished Service Awards** this year went to **Bob and Sheri Wood** as a couple in ministry, and to **Steve Overlin**. The Woods are currently serving with OCEF and are very active in helping both new and established churches. Steve (and Becky) Overlin serve as missionary care associates with Pioneer Bible Translators where they travel internationally training, encouraging and caring for other missionaries.

Please join us for the BBC dinner at the Oregon Christian Convention on June 26, 2013. There are some special activities planned ... come expecting to have fun!

## Summer Ministries and Beyond

We have ten camp teams serving over 60 youth events this summer and many of our staff will be at conventions, camps and speaking in churches. We will be at the Oregon Christian Convention in Turner, OR, NACC in Louisville, KY, and Winema Week of Missions on the Oregon coast. Look for BBC at CIY conferences and many youth and family camps in the Northwest.

Plan ahead for your fall activities. Ask for a Professor, the President or one of our worship teams to help in a service or special event at your church or camp. Consider a special session to better equip your church leadership for ministry. Check out <http://www.boisebible.edu/events/ciy/> for some of the topics we offer.
