Equipping for the Journey

Spring semester is under way!

The 2015 camp reps traveled to Grove Camp for hands on training at a High School winter camp. The Image of Christ started their spring schedule in Kimberly. A student team lead worship for a youth event in Tacoma.

BBC students are filling integral ministry roles in many Treasure Valley congregations. All are looking forward to where they will be serving this summer.

We expect to host over 300 High School students at Preview. We are sponsoring a youth retreat at Grove Camp during Spring Break.

God is molding our students by challenging them and loving them through ministry to others. Please keep our students in your prayers. Thank you for encouraging them to prepare for a life of ministry. You play an important role in advancing the gospel worldwide.

Spring Conference
May 12-14, 2015

“Equipped... for a life of ministry”

Featuring a Healthy Church seminar presented by e2: Effective Elders.

“The Healthy Church” by Dr. Jim Estep. What are the indicators of a healthy church? Jim will outline four essential indicators from Paul’s letter to the Philippians.

“The Healthy Leader” by Dr. David Roadcup. Effective leadership in the body of Christ requires that the leader be healthy on several fronts.

“Jesus on Mission” by Dr. Gary Johnson. A study of the mission of Jesus calls us to know and protect our mission, while personally sacrificing to fulfill His mission.

Additional workshops, worship services, and special events are planned.

Save the dates and plan to come!

Look for more information in the Outreach, coming to your mailboxes soon.

Designing Your Legacy: Passing On Your Values, Not Just Your Valuables.

Which states will probate your estate when valued as little as $10,000? Which states tax your estate at 40%? Can you avoid your children being taxed when inheriting your home? What is the only way you can avoid your IRA or 401K being taxed?

Do you need a Living Trust?

Financial Planning Ministry is a unique nonprofit dedicated to providing you with a path to sound biblical stewardship though your estate plans. They cut through the misinformation and help you avoid unnecessary and costly mistakes in securing your loved one’s future. The best part? They will help you plan your estate and obtain a Living Trust at no out of pocket cost to you! FPM simply asks that you consider leaving a percentage of your estate to your church and one of their Christian Ministry partners. Boise Bible College is one of those partners.

FPM seminars can help you avoid devastating consequences with just some simple pre-planning. The FPM counselor will show you how to get it done. And because they do not sell anything, you can leave your checkbook at home.

Boise Bible College is actively looking for churches that want to host a FPM seminar. We want to help you design an estate plan and become a wiser steward with more resources for the Kingdom of God. Please contact David Davolt at ddavolt@boisebible.edu for more information and to schedule your seminar.

Youth Minister Luncheon - February 26, 2015

All youth ministers in the area are invited to a lunch on campus. Come early at 10:30 for Chapel or arrive at noon for a free lunch.

The lunch is sponsored by the BBC Admissions Office and is a great time for good food, fellowship and encouragement.
