We Thrive in Partnership

Boise Bible College is partnering with churches from all over the region to provide leadership for events and retreats. Rebecca Owens (BBC English Professor) traveled with a group of students to Peshastin, WA to help lead a High School winter camp coordinated by New Hope Christian Church.

A van full of students will be with Mike Maglish (BBC Admissions Director) in Portland, OR for the Believe conference for Jr. High students. Dr. Ben Williams (BBC Preaching Professor), In His Image and other BBC staff and students will lead Spring Break High School retreats at Grove Christian Camp for Norkenzie and other Christian Churches in that section of Oregon.

These are truly times of transformation for these young people as they learn to be Christ-like, confess their brokenness, yield their lives and find victory in His grace. Sara Feaster (BBC student) had this to say about her experience: “Whenever I attend a camp on behalf of Boise Bible College, I am always moved by the amount of heartache in the girls and their strong desire to be told how worthy they are. They desperately want to be loved. One girl was very open, and after loving on her all weekend, she decided to follow the Lord.”

We would be honored to partner with you. Contact our Admissions or Development team to arrange an opportunity.

Equipped for a Life of Ministry

Spring Conference 2015, May 12 - 14.

A power packed leadership development conference designed for church leaders, alumni and students to be better equipped to effectively handle serious issues in the life of a church.

Featuring a seminar by Dr. Gary Johnson, Dr. James Estep, and Dr. David Roadcup from the e2elders leadership development team. When leaders grow and are effective, the church will grow and fulfill its calling.

There will be workshops, group sessions, worship, and great fellowship. A full schedule is available on our website or give us a call @ 208.376.7731

KINGDOM Preview 2015, a life-changing youth conference with a taste of college life, is coming to the BBC campus April 9 - 11. It is a great opportunity to visit campus, make friends, get to know BBC professors and have a great time with youth from all over the Northwest. Preview features our own Derek Voorhees (Professor of New Testament), a great worship band and a service opportunity.

**Early Bird registration ends March 23rd, sign up now!** Information and goodies are available on our website or call us at 208.376.7731
