**First Day of School Jitters**

Excitement rippled through the hallways as our students arrived for their first day of school. Old friends came together to help the new students navigate their new class schedule. The spirit of encouragement and teamwork was contagious.

Jamison, Conner, Issac, and Mike (pictured top) shared a happy reunion. Veronica (pictured right) started her college career on the same day that her daughters started pre-school and 3rd grade. The annual raft trip down the Payette River helped gel new relationships and got everybody wet on a hot day.

This will be an exciting year as we bear fruit by equipping servant leaders who are engaged with the gospel. We are smaller in numbers this year, our budget is impacted, but as a tree planted by water, we anticipate God’s constant blessing and outpouring.

Please pray for our students. Thank you for your support. Consider sharing BBC with others who could invest in our students.

Boise Bible College is dedicated to helping its students meet and form lasting relationships with missionaries. One way we do that is encouraging them to attend the International Conference on Missions. This year the Conference will be Oct.28 - Nov. 1 in Richmond, VA.

We have over half of the student body committed to go! Each student must raise their travel expenses. This is a sacrifice and significant investment in, possibly, finding a mission that will last a life-time. The work they do now will echo for eternity.

Please join us in prayer as we prepare for this experience. If you would like to help a student with their travel cost, please contact Danny Harrod, our professor of Inter-Cultural Studies. His email is dharrod@boisebible.edu.

Finish Your Application Today! Encourage your youth to explore preparing for a life of ministry at Boise Bible College. Apply today at www.boisebible.edu

The BBC Chapel service is a unique opportunity for our community to worship, be encouraged, and be challenged. This year we’re using the theme “Engage” to explore the BBC missional focus “to advance the gospel worldwide.” We’re looking at practical ways to “Engage” the gospel on our campus, city, community, culture, even chaos as we are empowered by the Holy Spirit (Acts 1:8).

As part of who we are and what we aspire to do, putting the Word into action becomes the focus this year. Come to chapel expecting to be challenged and to grow in your commitment. Chapel occurs on Tuesday and Thursday mornings at 10:30 AM.

Can’t make it to campus? Listen to the messages under Chapel Resources on our website.
