**Hearts for Zambia**

Bill Williams (BA ’04), recently returned from Kitwe, Zambia where he presented a week-long seminar on church leadership for over 150 pastors, teachers and other church leaders. Lee Barton, fellow church member, shared the experience of connecting with old friends and helping these leaders become better equipped to advance the gospel.

They delivered much needed Bibles, teaching materials and other supplies to these remote congregations. The joy and outpouring of love from the heart that came from these churches was overwhelming! A return trip is in the plans.

Bill ministers at Sunrise Christian Church, in Ontario, Oregon.

New Life in Bruneau

Curt Nordhielm recently had the joy of teaching members of the Hutton family from the Bruneau, ID area about the significance and importance of following Jesus in Christian Baptism. He showed them that Satan knows our names and calls us by our sin, our guilt and death. Jesus knows our guilt, but He calls us by our names, resurrecting and restoring eternal, guilt-free life.

Four of them immediately responded by asking Curt to baptize them in their farm pond. They were immersed in the mucky waters and came out clean, joyfully anticipating a new, restored life in Christ!

Please join us in rejoicing with the Hutton family!

Curt is the Outreach Coordinator for Boise Bible College. He is available for teaching, preaching and consulting with groups and church leaders. cnordhielm@boisebible.edu
