Have you scheduled a “BBC Day?”

We just sent out over 400 invitations to our partnership churches asking that they consider hosting a “BBC Day.” Did yours arrive? Included in the packets are a DVD, a couple new brochures, a copy-ready bulletin insert, and a response card. We’re asking that you use these materials to promote Boise Bible College and to encourage students to equip for a life of ministry. Please pray over our request and let us know how you will respond.

Four of our students recently held a “BBC Day” at the Oakland Church of Christ in western Oregon. Vance Russell, Professor of Greek and New Testament, spoke at New Beginnings Christian Church in Kuna, ID. The Trent Church of Christ, Woodburn Christian Church, Stayton Christian Church, Capitol City Christian Church have all scheduled their “BBC Day.” Are you ready for yours?

We want to do all we can to help you tell the BBC story. Please let us know if you need more brochures or bulletin inserts. If you want a speaker, let us know and we’ll do our best to get one to you. Do you have students you want us to contact about attending BBC? Return the response card with their name and contact information, and we’ll take if from there.

Thank you for all you do for the kingdom of God. Thank you for all you do for Boise Bible College!

Engaging culture brings challenge.

The objective of our chapel theme “ENGAGE” is to explore BBC’s focus on advancing the gospel worldwide. We have talked about engaging the gospel on campus, in the city and community, and in different contexts. This past month our speakers focused on engaging culture. The topics included popular worldviews and our unique culture within the Restoration Movement.

On January 26, Derek Voorhees painted the cultural landscape in a way that challenged us to remember God’s desire that all humanity would come to him and it is not an “us vs. them” reality. To hear this excellent message simply visit the “Chapel Resources” page on our website: www.boisebible.edu

You are invited to attend our 2016 Spring Conference, May 10-12. We will put a capstone on our year with the theme “Engaging the Gospel Worldwide.” Come expecting to grow and to be challenged in ministry.

Hair today, gone tomorrow!

Phil (BA ‘85) and Susan Abbot have always poured themselves in to ministry. So when a couple from the congregation needed to raise money to pay for an adoption, it was only natural that Phil would be there to help. He issued a challenge that if the community would raise $3,000, he would shave his head. Earlier this month the money was raised and Phil made good on his promise. Thanks to Phil’s spirit and desire to serve people, Lisa and Quin will welcome a new child into their family later this summer. Phil is the Lead Pastor at Vale Christian Church in Vale, Oregon.
