JUST ONE!

Jesus went about in a circuit of the towns and villages, teaching in the meeting places, preaching the good news and healing the sick people. His heart broke over the crowds of harassed and helpless who were wandering like sheep with no one to care for them. Then he said to his disciples “The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.”

Boise Bible College is joining together with other Bible colleges from around the country in asking our supporters to voice that same prayer. There are still “crowds” of people who are confused, aimless, harassed and helpless; tormented by Satan and who need to know about Jesus. The need for workers is great.

We maintain a list that represents only a portion of the congregations and ministries around the world who are looking for prepared Christian leaders. Existing churches are growing, new churches are being planted, missionaries are retiring and new mission fields are opening for harvest. There are not enough graduates to fill the need. Where are the ministries are going to find their prepared workers? Please look in your congregation and consider helping us to find “JUST ONE” more who is willing to be equipped for the harvest.

If all the congregations who support our colleges will send “JUST ONE” student, the fields will be filled with workers and the Kingdom will continue to grow. Please ask the Matthew 9:38 prayer and join with others all over the nation who are praying for that “JUST ONE” student. Pray, as well, how you will support and include that student in your financial support of our Bible colleges.

Boise Bible College is, and always will be fully focused on preparing Christian leaders for Kingdom work! Thank you for being one of our loyal partners.

Terry E. Stine, President
We are excited to welcome Bob Russell as the keynote speaker for the Boise Bible College Spring Conference.

God has blessed Bob Russell with a life much different than one he could have ever imagined. As a young man growing up in northern Pennsylvania, Bob had intended on becoming a high school basketball coach in his hometown. During his senior year of high school, however, Bob realized a desire in his heart to enter the ministry. Soon thereafter, he enrolled in Cincinnati Bible Seminary where he graduated in 1965.

At just twenty-two years of age, Bob became the pastor of Southeast Christian Church. Today that small congregation of 120 members has become one of the largest churches in America, with 18,000 people attending the four worship services every weekend in 2006. Bob retired from Southeast in June 2006.

Bob and his wife Judy have been married forty-five years. They have two married sons, Rusty and Phil. Bob and Judy have seven grandchildren with whom they enjoy spending their time.

An accomplished author, Bob has written over one-dozen books. He also has a weekly column in The Lookout, a magazine printed by Standard Publishing. In his leisure time he enjoys playing golf and is an avid University of Louisville football and basketball fan.

**Conference begins Tuesday morning, May 10, and concludes Thursday evening, May 12**

Events will be held on campus. Plan to be here for a time of spiritual renewal and connecting with fellow Christians. You are invited to stay until Friday to attend graduation.

A silent auction will be held Tuesday and Wednesday, with proceeds going to the Alumni Scholarship Fund.

There will be a Ladies’ Tea and an Alumni/Student basketball tournament on Tuesday. Thursday events include a golf tournament to raise money for the Alumni Scholarship Fund.

The Fields are White Unto Harvest...in Zimbabwe

by David Davolt

Dale and Linda Marshall have proven the truth of Jesus’ words when He said, "The harvest is plentiful but the workers are few." For nearly forty years they served together in Zimbabwe preparing for the harvest.

Their story started in 1955 when Dale came to Boise to attend Boise Bible College. Linda’s mother, Norma Perry (the very first graduate of BBC), did the laundry for the men in college. Linda noticed that most of the “men” were more “boys” until she met Dale. She said he was “mature beyond his years,” and he captured her heart. After graduation from BBC in 1959 they went to Cleveland, Minnesota to serve in a small church. Ziden Nutt, a missionary to Africa came to their church and challenged them to consider serving in Zimbabwe, then known as Rhodesia.

With the total support of their church they answered the call, loaded up their three young children and began a lifelong adventure. Just getting to the field was an adventure in itself. They traveled to New York, boarded a ship to England, went to Holland and caught a ship to South Africa where they gathered up their few possessions and drove the car the rest of the way to Rhodesia. Most of us have a hard time taking our kids on a short vacation or camping trip - just imagine their adventure!

It wasn’t long before they realized just how white the fields were for harvest. Their life verse became Mark 10:27, “With men it is impossible, but not with God; for with God all things are possible.” Dale worked long and hard to help advance the church. He saw quite soon that the key was to equip African men to be preachers and leaders, on their own, in their own communities. Dale partnered with others to establish a Bible college and to send out African preachers to their own people. They also found a need to minister to and help establish churches within the white community where they lived. Over the years three different groups were established. In a recent interview Dale said he had no idea just how many churches and Christians exist today because of their collective efforts, but he knew there were at least 250 churches and an untold number of Christians.

Linda became the mother of four children, the host for guests that traveled through regularly, and a Bible teacher in schools. She helped with the music in churches and is a great example of a mature, supportive Christian wife. It is hard to measure how many lives were turned around and how many were encouraged and motivated to seek Jesus. Linda is now a major influence in the lives of her grandchildren living in Boise.

Boise Bible College has been equipping Christians since 1945 to be prepared to work for the harvest. Dale and Linda are great examples of how a humble spirit, prepared and willing, can make a difference beyond our imagination. Will you consider how you can encourage “just one” more person to consider preparing for ministry by attending Boise Bible College? Perhaps it will be another Dale or Linda Marshall willing to sow and plant for the harvest to come.

A New Relationship with Financial Planning Ministries

BBC has recently become a sponsor for Financial Planning Ministry. FPM has been working with Christian colleges, churches and other groups since 1982 to help individuals plan their estates, and to help Christian organizations plan for the future. FPM will help you plan your legacy and set up a living trust, will, and power of attorney at no cost to you. They only ask that you make a donation to one of their sponsoring partners from your estate. BBC will be announcing the location of free seminars in the near future. If you are ready to plan your estate, it is easy to get started: simply call our Director of Development, David Davolt, for information. Once you receive the FPM paperwork, you will fill it out and work directly with a representative from Financial Planning Ministry. Many plans can be completed with phone calls and one visit. DON’T WAIT! Start your planning now. If you are interested in setting up a presentation/semester at your church, or have questions, please call David Davolt, 208-866-4463 or 208-376-7731.
**A Letter From Bob Russell**

The presidents of our Bible colleges are concerned. And I certainly share their concern. We are seeing a declining number of students interested in ministry, an alarming drop in students with a desire to preach the Gospel. Various factors may contribute. Whatever the reasons, the bottom line is this: we are not recruiting future laborers for the potential harvest. We may soon be experiencing a severe shortage of ministers and missionaries.

That’s a crying shame! The independent Christian Churches are one of the few Christian movements that have actually experienced an increase in church attendance over the past two decades. The opportunities for future evangelism and influence are beyond what we could have imagined 30 years ago!

That’s why I’ve joined with over two dozen of our college presidents who have issued the Just One Challenge—asking God’s people all over this nation to pray for just one more worker for the harvest field. (Matthew 9:37-38)

The Just One Challenge is a unique, united effort on the part of these presidents to motivate thousands of our people to intentionally pray for and recruit future preachers. Of course we all know that genuine prayer results in action, so I want to invite Christian leaders all across the country to join with us in honoring the Lord’s request.

Let’s make the most of this present opportunity and aggressively, wisely pray for laborers for the harvest field...because “as long as it is day, we must do the work of Him who sent Me.” (John 9:4)

Yours in Christ,
Bob Russell

**Summer Internships**

The faculty at BBC has invested considerable time in upgrading and streamlining our internship program. Each practical ministry student at Boise Bible College must complete internship requirements in their area of study. Besides formal internships, we have many underclassmen looking for summer ministry positions to learn and earn from. We’re creating a protocol to follow that will ensure that everyone gets the information they need and your request is processed smoothly. The first step for all internship inquiries is to call or email Nadene Mack, our Internship Coordinator, at 208-376-7731, or email her at nmack@boisebible.edu. Now is a good time to start planning for a summer intern or student worker. The most assertive students are already seeking opportunities to serve.

**AND THROUGHOUT THE SCHOOL YEAR**

We also have students preparing to serve around the world that need experience preaching, singing, leading worship or doing dramas. They are available to your churches. If you are interested in having a BBC staff member or student partner with you this fall, please call and talk to David Davolt.

**Join this incredible opportunity to partner with Travis Jacob, the Dean of Students at Boise Bible College, as he races to raise the needed funds for Student Life for the 2010-11 school year.**

Travis will be racing at the Nevada Silverman Triathlon in Las Vegas, Nevada - considered to be the toughest triathlon in North America- on Sunday, November 7, 2010. This is a 2.4 mile swim, 112 mile bike ride, and a 26.2 mile run. All in one day!

Your donation of any size will go directly to help our students gain a well-rounded growth experience that reaches outside the classroom and helps them put into practice what they are learning.

---

If you would like to help Travis reach his goal of $10,000, please send your check marked “2010 Tri” in the memo line to Boise Bible College, or call 376-7731 and ask about sponsorship levels.

Upcoming Events

February 19, 2011–Energizing Churches Network Conference on the BBC Campus. This is a conference designed to help church leaders network with other churches in the Northwest. The speaker will be Myron Wells, preaching minister at Redmond Christian Church in Redmond Oregon. There will also be workshops, lunch and time to fellowship with other church leaders. Plan now to attend.

March 12, 2011–Energizing Churches Network Conference at the Oregon Christian Convention in Turner, Oregon. We plan to repeat the conference above for those in Western Oregon.
“Set Apart” is the theme for the 2010–11 school year. Throughout the year we will be focusing on how we are set apart as Christians. Our theme verse comes from 1 Peter 2:9 “But you are a chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praises of Him who called you out of darkness into His wonderful light.” Throughout the fall semester students will be hearing from speakers in our chapel services on the topics of setting apart your mind, body, soul and heart.

We hit the ground running this fall with our first Student Leadership Summit. The day before returning students moved in, all of our student leaders came back to spend a day doing leadership training, getting to know each other better, and scheduling events for the year. Two days later, new students arrived and orientation began. Several churches from the area took part in orientation activities by providing lunches and sending items to be included in welcome packets for every student. During three days of orientation, students enjoyed several activities designed to get to know each other—receptions at the president’s home, a yearbook signing party, and a trip to Table Rock to get a view of the Treasure Valley at sunset and to take a group photo. The annual whitewater rafting trip concluded orientation activities on the Wednesday afternoon after classes started. This year we had a record of 126 people on the rafting trip, making for a fun afternoon with 16 rafts on the river.

The Sports Committee sponsors Pride Week toward the beginning of each school year. This year Pride Week was September 13–17. Student leader, Joe Hansen, organized a great week, including themed days with activities to go along with each day. Themes included “Modest” Monday, “Terrible” Tuesday, “Wacky” Wednesday, “Thrashy” Thursday and “Freaky” Friday. A few of the events for the week included a dodge ball tournament, giant slip ‘n slide, and glow in the dark Frisbee. Joe and the Sports Committee did a great job creating a fun environment for everyone!

Bill Pay
Boise Bible College relies on donors to help underwrite the costs of running the school. Approximately 40% of our operating funds come from churches, businesses and individuals who donate to help BBC. More and more of our partners are discovering the ease of using the free bill pay services through their bank’s website. It is easy to set up BBC as one of your “bills” to be paid each month. Ask your bank representative about this time and cost saving service.

Mailing List
We have included you in this mailing because, at some time in the past, you were considered a friend of Boise Bible College. We welcome your prayers and support, but, if for some reason you do not want to receive our mailings, please respond to ddavolt@boisebible.edu or send a note to our office and ask to be removed from the list. We also send out a monthly e-mail and would encourage you to respond to the above e-mail address if you would like to be added to that list.

The Fields are White
Boise Bible College is about growing God’s family in partnership with Churches all over the country and world. We recognize as Jesus told his early disciples, “The fields are white to harvest,” and the time is now. We are equipping young and old to be knowledgeable in God’s Word, able to communicate God’s love to those around them and live each day in fellowship with God. We exist not as a separate entity, but as an extension of the Church. Boise Bible College depends on churches to encourage their young people to a life of ministry and living the Gospel message daily. We desire to see God’s Kingdom grow here on earth through our partnership.
