Spiritual Life on Campus
The theme “Set Apart” has been connecting very well with the students. In chapel we have continued in the spring semester, as we began in the fall, with monthly topics related to this theme. In the fall semester we focused on four things we are Set Apart by (growth). During the spring our focus is on things we are Set Apart to do (action). The monthly chapel topics are: January - Set Apart to Commit; February - Set Apart to Love; March - Set Apart to Lead; and April - Set Apart to Be Bold. This semester twelve graduating seniors will speak in chapel. These seniors represent four of our ministry degree areas: Preaching, Intercultural Studies, Helping Professions (Counseling) and Christian Education.

Thursday night campus devotions in the Living Room (student lounge) continue to be a focal point in the spiritual life atmosphere on campus. During this time, students lead worship and give a devotional message. More than forty students attend on a regular basis and are encouraged by each other.

Social Life on Campus
The freshman class (led by Jonathan Shea) planned and organized our winter banquet on February 11. Jazz was the theme for the evening. Everyone enjoyed a nice dinner and jazz music by our own James Dewberry. The class also brought in a carnival picture booth. Students could go into the booth together and take a series of pictures.

The theme for Missions Emphasis Week, led by Breann Soucie, was “Hope of the Nations.” Abigail DeWelt from Rapha House Ministries was our special guest on campus for the week. The students learned about the ministry of Rapha House and how they help young girls who have been rescued from human trafficking rings. The Missions Committee set up a room designated as the “Prayer Room for the Nations,” with displays highlighting all the continents on the globe.

Sports have been a big part of student life this spring. Participating in various sports programs gives our students a chance to build relationships and camaraderie with each other. Here are a few highlights:

- Soccer: We currently have two teams participating in a co-ed indoor soccer league. Students Frankie Ocampo and Josh Branham coach the teams.
- Intramural Basketball: This year the league will run through March with games every Saturday morning. The sports committee, led by Junior student Joe Hansen runs the intramural league.
- Women’s Volleyball: We have a team participating in the Boise City league. The team leaders are senior Katie Morris and Jennifer Whiteman, Assistant Director of Admissions.

Leadership Development
Leadership development is essential to the growth of our students as they prepare for full-time ministry positions when they graduate. Our student leadership team has been doing a great job this year leading classes, committees and Student Council.

- In August, the team came back to campus a day early to participate in a Student Leadership Summit consisting of training, team building and planning for the year;
- In January, I took the team snow tubing at Bogus Basin and then to dinner at my house. This was a way to build relationships and to thank them for working so hard;
- The team holds monthly meetings for leadership development and communication between all leaders.

We are seeing much growth taking place among our students in the areas of spiritual life and general leadership. I am excited to be a part of the lives of so many students, and look forward to working with the students God continues to bring to BBC each year!
From the President

This winter has been a very busy time. With so many exciting things happening at BBC, it is hard to single out only one to write about, so I won’t! Instead, I will highlight a few newsworthy items you should be aware of.

Boise Bible College is celebrating 65 years this year, but more important are the faces of our graduates as they impact the world for Christ. They serve in churches, schools, recovery centers, emergency response teams and active duty military units. Whether it is in their congregation, classroom, troop unit or family, every one of our graduates is working to change lives and proclaim Christ through their lives.

It is important to know that we need your continued support. We are growing at a record-breaking pace and expect to leap beyond the 200 student threshold this fall. This is exciting, but brings with it some challenges. One of those is living space. We really need to complete our dormitory project, remodel our cafeteria and reconfigure some of our classrooms to accommodate more students. The ground work is ready and we need to raise $2.5 million dollars to make it a reality.

To grow means that we depend on your partnership. Churches and missions around the world need ministers, our students need ministries where they can hone their skills, and we need to educate them with little or no debt. Your monthly support through our scholarship and general funds helps achieve these goals.

I see all of this as an opportunity for us to reach many more souls for Christ. Please persevere in sending us students and consider making a sacrificial contribution so we can finish construction, strategically add staff and faculty, enhance the classroom and campus experience and continue working together to complete the task that Jesus saw when He looked over the fields that were ready for harvest.

Fully one-third of all our graduates have come in the last five years and this year’s class is already reaping a harvest in churches all across the region. A couple built a vibrant youth and children’s ministry in Vale, Oregon while others are developing small group, worship, community outreach and mission ministries in the Boise area. Several are preaching majors and have been traveling to minister in congregations around the northwest. All are prepared to share the gospel of Christ who called them out of darkness into his marvelous light.

Finally, I look forward to seeing many of you at our Spring Conference. I will be traveling and speaking in many places this spring and hope to personally meet you.

BBC will host up to 300 high school youth from all over the Northwest for Preview. During the weekend, they will experience worship, classes, fellowship and fun. Information packets have been mailed and registrations are due April 1. If your church has not received the packet, please contact the BBC Admissions Department.

**2011 Camp Reps**

The Admissions Department is pleased to announce our 2011 Summer Camp Representatives. Congratulations to **Elisa Ellis**, Eagle, ID; **Laurie Ellis**, Milwaukie, OR; **Amanda Humphreys**, Oakland, OR; **Zachary Lewis**, Meridian, ID; **Amanda Martin**, Meridian, ID; **Ian Nelson**, Pasco, WA; **Jonathan Shea**, Centralia, WA; **Jacob Wright**, Milwaukie, OR. These students have already begun training for camps this summer and two winter camps this semester. They desire to see youth learn and grow. We are excited at the opportunity to serve over 40 camps this summer through the camp rep program.

**WE NEED YOUR HELP!** This is a huge part of our ministry and service to youth ministries and churches, as well as a major aspect of our recruitment plan. We ask you to partner with us in prayer for our reps as they prepare for a life-changing adventure this summer. Pray they will continue to be open to God stretching, challenging and teaching them. Pray also for the camps, directors, and campers who will interact with our camp reps.

If you have any questions about the camp rep program, please contact Jennifer Whiteman at jwhiteman@boisebible.edu.
During his senior year of high school, Bob realized a desire in his heart to enter the ministry. Soon thereafter, he enrolled in Cincinnati Bible Seminary where he graduated in 1965. At just twenty-two years of age, Bob became the pastor of Southeast Christian Church. Today that small congregation of 120 members has become one of the largest churches in America, with 18,000 people attending the four worship services every weekend in 2006. Bob retired from Southeast in June 2006. Bob and his wife, Judy, have been married forty-five years. They have two married sons, Rusty and Phil. Bob and Judy have seven grandchildren with whom they enjoy spending their time.

**More Reasons to Attend!**

Conference is a great time to recognize the many Boise Bible College alumni making an impact in ministries throughout the Northwest, around our country, and throughout the world. The Alumni will have a dinner gathering with a live auction on Monday evening at 6:00 pm on campus. This is a family gathering especially for our alumni and close friends. We will honor this year’s graduates, and spend some good time catching up with each other.

Spring Conference is also a time when our alumni serve our Conference visitors.

The alumni sponsor the following events:

- **A Silent Auction** with all proceeds going to scholarships for future students.
- **Golf Scramble** – Thursday afternoon is the annual Golf Scramble at Foxtail Golf Course. Golfers and teams are needed, as well as Sponsors. See our web site for details and sign up information.
- **After-Glow** each evening of conference is a time of cookies and coffee for all participants.

Boise Bible College has been equipping Christians to be leaders for 65 years, with over 700 graduates! All studied under men and women who have a passion for growing God’s Kingdom and for preparing workers for the harvest. From founding President Orin Hardenbrook (known as the “Cowboy Preacher”) to current President Terry Stine, our leaders have endeavored to equip Christians to bring the world to salvation through Christ.

For some time, church leaders have requested help in providing biblical training with a strong practical application for their elders, deacons, teachers, and other church leaders. After much dreaming and planning, our Christian Leadership Institute held its first session at Ten Mile Christian Church in Meridian, Idaho on Sunday, January 30, 2011. The program was kicked off with an enthusiastic welcome from President Stine and course summaries from the three professors who will present the material: Chuck McCoy, Dr. John Whittaker and Academic Dean Charles Faber. Professor McCoy presented the “Introduction to a Journey through the Bible.” (His book on this subject can be purchased through our book store for $20). He is a gifted writer and man of the Word, and all were blessed by his informative and inspirational presentation. This “trial-prototype” course will meet Sunday afternoons once a month. It is divided into three tracks which will each take about 6 months to complete. The tracks are:

- **Track One:** Biblical Foundations - Foundations for knowledge and learning.
- **Track Two:** Spiritual Maturity - Personal growth in Christ.
- **Track Three:** Biblical Church Leadership - A Bible-centered leadership model.

We are determining how this material can be widely used at other locations. If you have ideas or thoughts on where, how, or when this concept could help your area or church, please contact President Stine or our Development Office.

**Ways to Connect with BBC**

There are a number of ways to keep in touch with Boise Bible College as a friend, supporter, alumni or future student. Check out the methods that are best for you:

- **The Outreach** – a three times a year publication.
- **BBC E-News** – a monthly email with information about current and future activities.
- **www.boisebible.edu** – Our website is new this month! Check it out - it has something for everyone - friend, future student, current student, and alumni!
- **Facebook** – Boise Bible College (organization)

Contact ddavolt@boisebible.edu if you would like to be added to the Outreach or BBC E-news mailing list.

**Financial Planning**

For over twenty-five years, Financial Planning Ministries has removed the confusion surrounding estate planning and provided stewardship opportunities to believers at every income level – at no cost to the individuals. Today, more than 10,000 families enjoy the security of a living trust and dozens of churches, colleges and missions benefit from their financial gifts.

Consider these thoughts from Dr. LeRoy Lawson about FPM: “FPM has been a triple blessing in my life and ministry. Many years ago my wife Joy and I established our Family Living Trust with FPM, ensuring that our family and our favorite charities would be cared for after we die. Then, as senior pastor of Central Christian Church in Mesa, Arizona and as president of Hope International University, I saw firsthand FPM’s invaluable role in securing a Christian institution’s long-term financial future. I would encourage every Christian to consider FPM when creating their estate plan.”

Boise Bible College will be sponsoring Living Trust Seminars around the West in the near future. You can start the process of planning your legacy by calling our development office and asking for a Confidential Estate Planning Guide. This is a step-by-step guide to allow FPM to help you establish a Living Trust. Often the whole process can be done through the mail and over the phone – all at no-cost to you! Don’t wait, call now.

**Just One!**

Boise Bible College has joined with other Bible colleges around the country in asking our supporters to recognize that “The fields are white to harvest.” If each church and individual who reads this were to encourage “JUST ONE” student to prepare for ministry, we would soon have workers to fill the needs of churches. Consider providing a scholarship, or let them know you are praying for them. Please take the time to find JUST ONE to attend Boise Bible College.
